

# Metrc Support Bulletin

<b>Bulletin Number:</b> DC_IB_015	<b>Distribution Date:</b> 1/21/19	<b>Effective Date:</b> 1/14/19
<b>Contact Point:</b> Metrc® Support	<b>Subject:</b> New Features Release	
<b>Reason:</b> Metrc is providing details on the newest feature releases for the system.		

Greetings Metrc Users,

Metrc is pleased to provide some information on the newest feature available in the software to support tracking types of harvest waste.

## NEW WASTE REPORTING OPTIONS

When reporting waste in Harvests, you will now have a dropdown list to choose the waste type being reported. The District will configure the waste types from which you will choose.

**Report Waste**

*Template*

Unit of Measure: - Select - ✓

Waste Type: - Select - ✓

Waste Date: mm/dd/yyyy today ✓
