

Bulletin Number: MA_IB_0046	Distribution Date: 7/6/2021	Effective Date: Ongoing
Contact Point: Metrc® Support	Subject: Update to Lab Test Batches	
Reason: Metrc and the CCC are providing an update on the addition of the Raw Plant Material (For Extraction Only) Lab Test Batch		

Metrc is pleased to provide an update on the additional lab test batches outlined in **MA Bulletin #43**. This update is the announcement of the “Raw Plant Material (For Extraction Only)” Lab Test Batch which will now be an option when creating lab sample packages.

Please see the following pages for details on these changes:

Raw Plant Material (For Extraction Only) Test Batch

Now when lab test sample packages are created, there is a new “Raw Plant Material (For Extraction Only)” lab test batch as an option for selection for the test sample package. This option is shown in **Figure 1** below.

New Package Sample # 1 (clear)

New Tag: ABCDEF012345670000013914 Q

Location: Package Room Q

☒ Same Item

Quantity: 3 Grams Σ

Note:

Package Date: today

Package # 1: ABCDEF012345670000013874 Q ⊖

Quantity: 3 Grams ⊕ (contents)

Sampling - new total will be 27 g

Required Testing:

- ☐ Infused Edible
- ☐ Infused Non-Edible
- ☐ Inhalable Concentrate
- ☐ Non-Solvent Concentrate
- ☐ R&D Testing - Metals
- ☐ R&D Testing - Microbials
