<b>Contact Point:</b> Metrc® Support	<b>Subject:</b> Upcoming Online Training – January 2021	
<b>Reason:</b> Metrc is providing details for live webinar industry user training classes.		

Greetings Metrc Users, this bulletin is intended to notify all industry users of the planned upcoming Metrc Live Webinar Workshop training this coming January for the State of Nevada CCB.

- Due to the events involving COVID-19, all the scheduled classes will be provided via webinar, and each user will be required to register for the class they want to attend. (Link below)
- In accordance with instructions from the State of Nevada CCB; starting this year (2020), all persons that actively work in Metrc must attend the Workshop Live Webinar training at least once a year. All other agent card holders that work in or manage a marijuana establishment must attend the mandatory training at least once every 2 years.
- Each attendee will be required to complete and pass a test on the topics discussed.

In this workshop we will cover new topics not covered in the previous workshop in June:

- New upcoming Transfer Types
- New Testing Information for Cultivations, Processors, and Testing Facilities
- Source Production Batch Numbers
- Destroying Vegetating and Flowering Plants New Features
- External Patient Sales
- Distributors Myths vs Facts
