Contact Point: Metrc® Support	Subject: Wholesale Price Field					
Reason: Metrc and the Department of Business Regulation are providing additional guidance on the requirement for licensees to correctly utilize the Wholesale Price field.						

Greetings Metrc Users,

Metrc, in conjunction with the Department of Business Regulation (DBR) is providing guidance on the proper use of the Unaffiliated Transfer type and use of the Wholesale Price field.

In accordance with 230-RICR-80-05-1.6.8 "Transportation of Medical Marijuana Products" in addition to a purchase order accompanying a transport manifest, licensees are required to enter the wholesale sale price of unaffiliated transfers. This price should be the total sale price, not price per unit.

Please see the following pages for more details:
