

## Metrc Support Bulletin

<b>Bulletin Number:</b> MA_IB_0075	<b>Distribution Date:</b> 12/19/2023	<b>Effective Date:</b> 12/20/23
<b>Contact Point:</b> Metrc® Support	<b>Subject:</b> Update to Lab Test Batch	
<b>Reason:</b> Metrc and the CCC are providing an update on the addition of the R&D Testing – Vitamin E Acetate Lab Test Batch.		

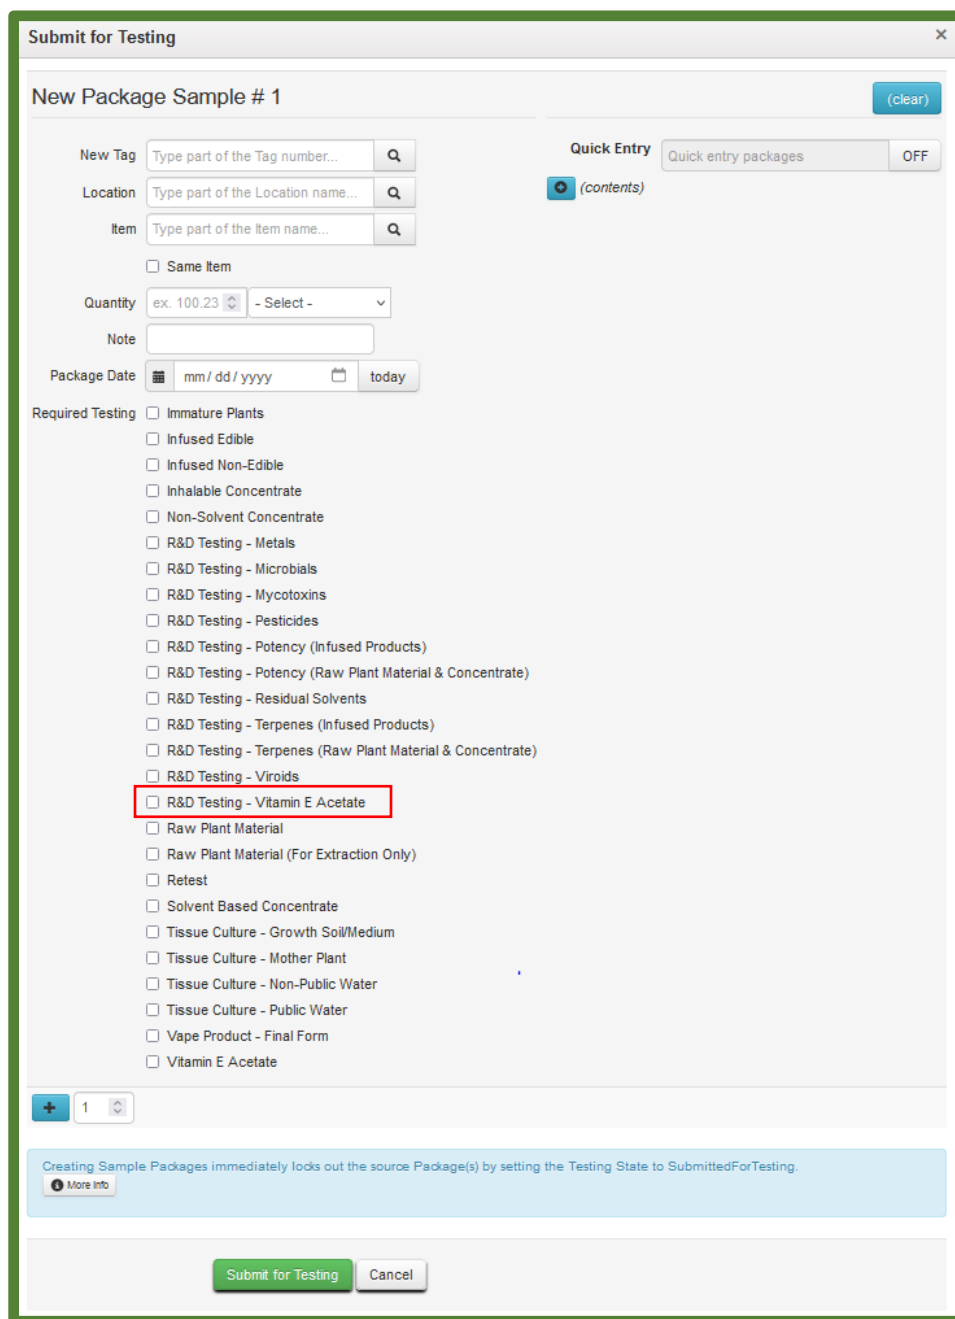

Greetings,

Metrc and CCC are pleased to provide an update on an additional lab test batch. This bulletin will include the update on the addition of the R&D Testing – Vitamin E Acetate Lab Test Batch.

Please see the following pages for details on these changes:

## **R&D Testing – Vitamin E Acetate Test Batch**

Now when creating lab test sample packages, there will be a new “R&D Testing-Vitamin E Acetate” Lab Test Batch as an option for selection as a required lab test batch for the sample package. R&D Testing – Vitamin E Acetate is to be used when doing R&D or voluntary Vitamin E Acetate testing of product. This option is shown in **Figure 1** below.

The screenshot shows the 'Submit for Testing' window with the following fields and options:
