

| Bulletin Number: MA_IB_0077 | Distribution Date: 3/29/2024 | Effective Date: 4/8/2024 |
|---|----------------------------------|-----------------------------|
| Contact Point: Metrc Support | Subject: Billing functionality e | enhancements in Metrc |
| Reason: Provide an update on Administrators more visibility interview. | | |

Greetings,

Metrc values our relationship, takes pride in supporting the success of licensed business operations, and recognizes that to remain compliant with all license requirements, it is important that access to financial documentation, account status information, and easier payment options be more readily available.

Based on valuable feedback received from licensees across the markets we serve, Metrc is excited to announce the launch of new system enhancements related to account financials and billing functionality.

The following Metrc system functionality will be available to licensees in the state of Massachusetts starting on 4/8/2024:

- Financial permissions
- Real-time account status
- Invoice availability in the Invoice grid

Please read on for more information regarding this new functionality.

Financial permissions

Historically, upon credentialing a new license in the Metrc system, the first Admin added to the account defaults as the financial point of contact. While this default setting will not change, the Admin will now have the ability to designate additional financial points of contact, or backup administrators with financial permissions, for payment purposes.

To designate one or more additional financial points of contact, navigate to the Admin area drop-down on the navigational toolbar and select the Employees option to access the Employees Grid – **see Figure 1**.

Figure 2: Edit Employees button

In the Edit Employees action window, there are three areas that determine the level of access an employee can have to financial information – **see Figure 3**.

Financial contact at this facility: Selecting this checkbox designates the employee as a financial point of contact at the licensee's facility.

Financials Menu > All – Manage: Selecting this checkbox allows the employee to access all three areas of Financials: Credit Cards, Financial Summary, and Invoices.

Financials Menu > Invoices – View: Selecting this checkbox allows the employee to view the Invoices grid only.

Figure 3: Edit Employees action window and financial permissions

Follow the same steps above to designate permissions for each individual employee.

Invoices grid

Once this new functionality is released, monthly invoices for standard reporting fees will be accessible in the Metrc system, including open and closed invoices, which can be viewed and/or managed by employees with appropriate financial permissions through the Invoices grid.

To access the Invoices grid, click on the Financials area dropdown on the navigational toolbar and select the Invoices option – **see Figure 4.**

| ⊘metrc Plants ▼ Packages ▼ Transfers ▼ | Financials • Reports • Admin • |

| Invoices | Credit Cards Financial Summary |
| Open Closed | Invoices |
| | Please select a tab to view its content. |
| | |

Figure 4: Navigating to the Invoices grid

Once on the Invoices grid, to view open invoices with unpaid balances, select the Open tab. In Open Invoices, the Invoice Number, Coverage Period, Invoice Date, Status, Due Date, Term, Balance, Price will be visible, along with Invoice and Payment action buttons – **see Figure 5**.

When the Payment action button is selected, the Credit Card action window will appear.

For more information, review the 'Payment options reminder' section of this bulletin.

Figure 10: Access closed (paid) invoice to view, download, and/or print

Invoices overview

The information provided below is important to understand as it relates to invoices, including what will be visible, or may be visible, depending on account status.

- Beginning on the first day of the next full calendar month, an invoice will be generated in the Open invoices tab in the Invoices grid and show the total amount due for that period, including the Metrc reporting fee and any applicable taxes as defined by state and local taxing authorities.
- The generation of a monthly invoice will automatically occur in the system on the first day of every month.
- Sales tax assessment is enabled, so Metrc will now be able to calculate applicable sales tax on the monthly reporting fee.

For periods prior to the release of this new functionality, the following will apply:

- For previously <u>paid</u> periods (balances are paid in full), invoices will not be retroactively created or show up in the Closed Invoices tab of the Invoices grid.
- For previously <u>unpaid</u> periods, a single invoice will be generated that reflects the entire amount owed to Metrc at the time of this functionality release and will appear in the Open Invoices tab of the Invoices grid. See example invoice below.

| | | | Final Amount Due: | \$ Amount |

Important note: Access to invoices, and the ability to download and/or print, will be available from the Invoices grid. Direct access will offer greater efficiencies, including real-time ability to view and/or manage invoices in a singular location and limit incoming or outgoing communications to/from Metrc.

Recommendation: Designate additional financial managers so that all appropriate employees can access invoices and/or make payments.

Financial Summary

If payments are received in advance of monthly reporting fees being due or an approved credit is issued by Metrc, the new Financial Summary grid will offer real-time account status into Available Credits.

To access the Financial Summary grid, go to the Financials area dropdown on the navigational toolbar and select the Financial Summary option – **see Figure 11.**

Figure 11: Navigating to the Financial Summary grid

The Available Credits in the Financial Summary grid will display any available credits that are available to apply to future monthly Metrc fees. If the account is up to date, Available Credits will display \$0.00. The Financial Summary page will not display late payments or negative amounts – **see Figure 12**.

Figure 12: Available Credits in Financial Summary grid

Payment options reminder

Maintaining a valid payment method on file to pay for all incurred and recurring Metrc fees will simplify payment processes. Two payment options are available:

Pay by credit card – Recommended

To review, update, or add a credit or debit card, select the Financials area dropdown on the navigational toolbar, then select Credit Cards – **see Figure 13.**

Figure 14: Add Credit Card action window

In addition, payments can be made via check or money order and sent to the following address:

Metrc LLC 3111 West Pipkin Rd., Suite 140 Lakeland, FL 33811

Metrc resources

If you have any questions, or need additional support, the following resources are available:

Contact Metrc Support by using the new full-service system by navigating to <u>Support.Metrc.com</u>, or from the Metrc System, click on support.metrc.com from the Support area dropdown on the navigational toolbar and it will redirect to the portal.

Please note: If accessing the portal for the first time, a username (which is established when logging in), the respective state and "Facility license number", and a valid email to set a password is required.

Metrc Learn: Various programs are offered to provide users with access to interactive, educational information on system functionality to expand skillsets and drive workflow efficiencies.

Based on valuable feedback received across the industry, we're proud to share that Metrc Learn is undergoing a redesign, featuring interactive modules and on-demand advanced training. Stay tuned for more exciting details rolling out soon, as we redefine your experience with Metrc!

Access additional resources: In the Metrc system, click on the Support area dropdown on the navigational toolbar and select the appropriate resource, including educational guides, manuals, and more.

Thank you for your continued partnership.
