

<b>Bulletin Number:</b> MN_IB_18	<b>Distribution Date:</b> 2/9/2024	<b>Effective Date:</b> 3/1/2024
<b>Contact Point:</b> Metrc Support	<b>Subject:</b> Test Facility Process Updates	
<b>Reason:</b> New updates and requirements in Metrc.		

Greetings,

Metrc and the OMC are pleased to bring an update to the new required Testing Facility Process that will be implemented on 3/1/2024. This Bulletin announcement is in regard to Minnesota Industry Bulletin 12 that was distributed on 09/21/2023. For more information about Lab Test Batches, Test Samples and Sub-Contracting, please reference [Bulletin 12](#).

Once this has been implemented, all packages that have not had passing test results entered in Metrc will not be available to be transferred to a dispensary. In order to transfer these packages, you will need to follow the Lab Test Batches, Test Samples and Sub-Contracting process. Additional details are also included in [Bulletin 12](#).

Please feel free to contact support at [support@metrc.com](mailto:support@metrc.com) or 877-566-6506 with any questions.
