

Bulletin Number: MO_IB_0032 New Lab Test Batch	Distribution Date: 05/01/2024	Effective Date: 05/15/2024
Contact Point: Metrc® Support	Subject: Lab Testing Updates in Metrc	
Reason: To inform licensees of upcoming changes when creating test samples and adding the Lab Test Batch for Additional – Mandatory Cannabinoid % and Totals		

Greetings,

On May 15, 2024, the Division of Cannabis Regulation (DCR) will be adding a Lab Test Batch into Metrc for Additional - Mandatory Cannabinoid % and Totals.

Please find on the following pages a detailed description of the Lab Test Batch and the updates when creating a test sample.

Lab Test Batches

DCR will be adding the Lab Test Batch in Metrc. The new Lab Test Batch Additional – Mandatory Cannabinoid % and Totals

Creating a Test Sample

When creating a test sample, licensees will select the Lab Test Batch based on the source package’s product type. All of these new Lab Test Batches are listed in the Submit for Testing action window shown below in **Figure 1**.
