Metrc Support Bulletin

Bulletin Number: NJ_IB_0036	**Distribution Date**: 06/20/2025	**Effective Date**: 07/02/2025
Contact Point: Metrc Support	**Subject**: New Item Category Infused Liquid Edibles	
Reason: Metrc is providing information about a new Item Category and Lab Test Batch for Infused Liquid Edibles.		

Greetings,

Metrc, in conjunction with the New Jersey Cannabis Regulatory Commission (CRC) are pleased to provide information about a new Item Category and Lab Test Batch for Infused Liquid Edibles that will be available in Metrc on July 2, 2025.
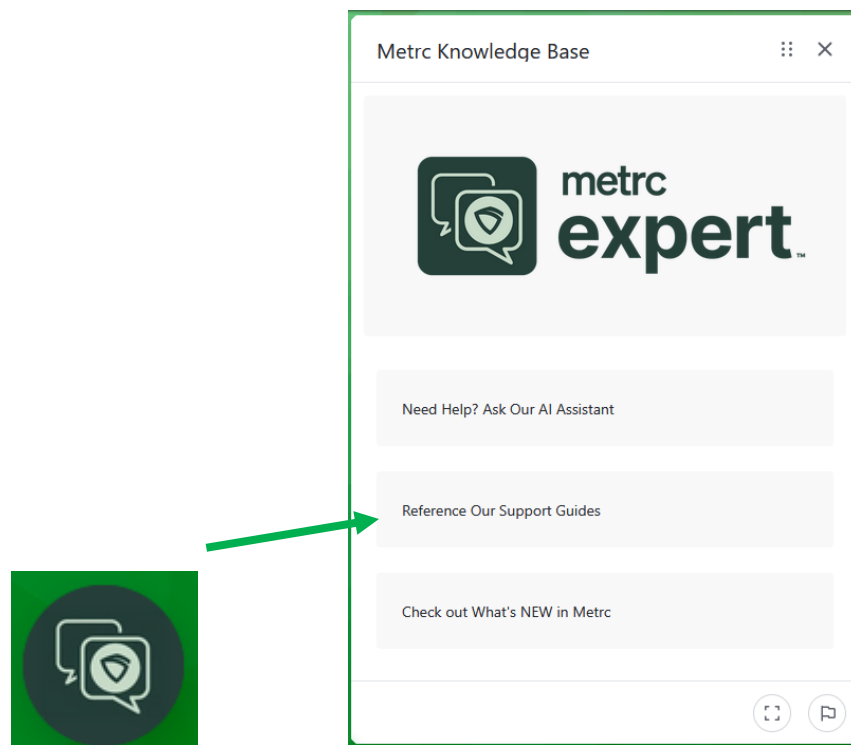

Please read on for details.

New Item Category: Infused Liquid Edibles

On July 2, 2025 a new Item Category, Infused Liquid Edibles will be available for Adult Use and Medical Manufacturers in New Jersey to use when creating infused liquids edibles.

Note: New items created using the Infused Liquid Edibles Item Category require pre-approval by the NJ CRC before they can be used.

To use the Infused Liquid Edibles Item Category, a new Item will need to be created. For guidance on how to create a new item, please reference the knowledge base in Metrc Expert – **see Figure 1**.

- To access Metrc Expert, log in to Metrc and look for the green circle icon in the bottom right corner.
- Click the green circle icon to expand options and select Reference our Support Guides > Getting Started in Metrc > Start Here to Set Up Your Account > Enter Item Names.

Metrc resources

If you have any questions, or need additional support, the following resources are available:

Contact Metrc Support
By using the full-service system by navigating to Support.Metrc.com, or from the Metrc System, click Support and navigate to support.metrc.com and it will redirect to the portal.

Please note: If accessing the portal for the first time, a username (which is established when logging in), the respective state and "Facility license number", and a valid email to set a password are required.

Metrc Learn
Metrc Learn has been designed to provide users with interactive, educational information on system functionality to expand skillsets and drive workflow efficiencies.

Accessing the new Metrc Learn LMS is simple through multiple convenient locations:

From within the Metrc system
Navigate to the Support area on the navigational toolbar and select the "Sign up for Training" option to register.

From the Metrc website
Navigate to your state's partner page and scroll down to the "Metrc's Training Resources" section to find the link.

Also, save the link – *learn.metrc.com* – as a bookmark in your preferred web browser. If you have the existing link saved as a bookmark, please replace it with the new link.

Thank you for your continued partnership.
