

Welcome to Metrc

Learn how to access Metrc and training resources

Welcome

Hello,

We are excited to introduce you to Metrc, a leading provider of track-and-trace, frequently called seed-to-sale, technology for the cannabis industry. Our system is designed to help businesses like yours ensure compliance with state regulations, streamline operations, and maintain transparency throughout the supply chain. As a trusted partner to 30 regulated markets, Metrc is committed to supporting the growth and success of the cannabis industry by providing reliable, secure, and user-friendly solutions.

From cultivation and harvesting to distribution and retail, our system captures critical data points to support transparency, product integrity, and regulatory compliance. At Metrc, we understand that navigating the complexities of the cannabis industry can be challenging. That's why we offer dedicated support and training to help you make the most of our system. Our team of experts are available to assist with any questions or concerns you may have, ensuring a smooth and efficient implementation process. The following pages in this packet will help you get started with Metrc as it becomes your tool for compliance.

We are proud to support your business in compliance and look forward to working together to build a transparent, accountable, and thriving cannabis industry.

Sincerely,
The Metrc team

Why track-and-trace?

Track-and-trace technology at its core provides the ultimate transparency in a supply chain.

Implementation timeline – Beginning Inventory

This timeline is intended to guide a smooth transition and onboarding into the Metrc system. Updates will be posted on the Metrc New York State Partner Page and the OCM Seed-to-Sale page, with administrators also receiving regular email notifications.

**Admin info – Strains, Items, Processing Jobs, Employees, Locations, Drivers*

Post Beginning Inventory timeline

December

January

February

March

Dec 17 – Key milestones

- All licensees in Metrc.
- All product is tracked in Metrc.
- Metrc closes external transfer process for all license types. This prevents transfers from processors to distributors outside of the Metrc system.
- Processors must have test results for all packages through the virtual sample process for all products in inventory.

Feb 1

Distributors can purchase Retail Item IDs to add to individual units in batch packages that are currently not associated for transfer to dispensaries after the February 28th deadline.

Feb 15

All distributors should have assessed active inventory, by facility, for any product that does NOT have Retail Item ID codes affixed to each unit.*

Feb 28

Product cannot be transferred from Distributors to Dispensaries without a Retail Item ID affixed to each unit. Product does not need a test passed status to transfer at this point.

March 31

All inventory in Dispensaries must have a Retail Item ID affixed to each unit with associated testing results of either “TestPassed” or “RetestPassed”.

Key post implementation milestones

**For any product that does not have a Retail Item ID, distributors need to make a business decision on whether they can send the existing product to a dispensary prior to February 28 or purchase Retail Item IDs to affix to units.*

Testing Facilities Licenses

What to expect as a Testing Facility in your first few weeks onboarding into Metrc. The following actions and timeline are recommended to ensure a smooth and complete market transition to Metrc.

Timing	Actions	Documentation

Getting started with Metrc

Your first steps in getting credentialed into the system.

1

Sign up for New Business Training.

To begin with Metrc, all new users must create an account in [Metrc Learn](#).

2

Complete New Business Fundamentals Training in Metrc Learn. Once you complete the training and pass your assessment, your information will be sent to Metrc Support.

3

Receive log in credentials from Metrc.

You will receive an email from Metrc containing user credentials for the Metrc system.

4

Validate credentials by logging in.

Log into Metrc within 72 hours of receiving your welcome email and begin working in Metrc.

5

Continue to improve your use of the Metrc system.

Visit [Metrc Learn](#) to find additional resources on how to navigate Metrc.

Metrc resources

A glance at several resources to support your journey with Metrc.

Support

Our dedicated support team is available through phone and online portal access.

- **Phone:** 877-566-6506
- **Online:** Support.metrc.com
- **Available:** M-F, 8 a.m. ET – 10 p.m. ET, Sat. 10 a.m. – 8 p.m. ET, Sun. Voicemail or portal only
- **What to know:** Our team is here to help in your journey with cannabis compliance. We not only have a dedicated team for answering specific questions, but a library of self-help materials for navigating the system.

Training

On-demand training platform with over 300+ courses right at your fingertips.

- **Access:** Learn.metrc.com or through mobile app: Go Learn
- **Available:** 24/7, 365 days
- **What to know:** Metrc Learn, our on-demand training portal allows for users to create persona-based learning journeys, access over 300 courses and more! Select trainings also include interactive pieces allowing you to practice new skills out of the production environment.

Metrc Expert

Access support documentation directly in the Metrc system.

- **Access:** Available when you log in to your Metrc instance
- **Available:** 24/7, 365 days
- **What to know:** Metrc Expert is our AI-powered chat tool that allows you to ask questions in the Metrc system as you work in real time without having to spend time sifting through documentation.

Metrc.com

Additional information and resources to supplement your needs are available on Metrc.com

- **Access:** Metrc.com
- **Available:** 24/7, 365 days
- **What to know:** Metrc.com offers additional resources including case studies, blogs, guides, and more! Also, for state specific information, navigate to your state partner page to access bulletin documentation (which can also be found in the support portal).

Metrc Support

The Metrc team is here to help!

Every question and conversation counts, and our dedicated support team is here to help.

Our support teams have been with us for a long time – they know and love the industry – so whether you are seeking help navigating the Metrc system, facing technical challenges, or have a general inquiry, we take every interaction seriously and do everything we can to find a resolution quickly.

You can access Metrc Support by phone or online through our Metrc Support portal, which offers the ability to:

- Create a new support case
- View real-time case status
- Live chat with a Metrc Support agent
- Access help documentation and articles

To sign up for the portal, ensure you have Metrc system access.

Access the Support Portal

Login page and first-time users

The image shows a mobile app interface for the Metrc login page. It features the Metrc logo at the top, followed by input fields for 'Metrc Username' and 'Password'. Below these is a 'Metrc Instance' dropdown menu currently set to 'New York'. There are three buttons: 'Log in', 'First Time to Portal?', and 'Cancel'. At the bottom, there is a link that says 'Are you an employee? Login here'.

Complete this form to access the Metrc Support portal

This form is for first-time users to access the Metrc Support portal. It includes a heading: 'If this is your first time on the Help Portal, please provide your Metrc Username and a Facility License Number that it is associated with.' The form has three required fields: '* Username', '* Metrc Facility License Number', and 'Metrc Instance' (a dropdown menu currently showing '--None--'). A 'Next' button is located at the bottom right.

Sharpen your Metrc skills

Access Metrc Learn, our interactive training resource with 300+ courses

- ✓ On-demand training available 24/7
- ✓ System functionality training, by facility type
- ✓ Easily track and share your progress
- ✓ Available on-the-go through a mobile app

Access help right in the Metrc system

Metrc Expert knowledge base

An innovative state-specific knowledge base is accessible through a widget in the Metrc system.

Leveraging AI, as you interact with the tool and ask questions, it will drive automated responses and deliver personalized customer support with faster responses.

- ✓ Access knowledge base resources directly in the system
- ✓ Minimized disruption to workflows
- ✓ Answers to your questions in seconds
- ✓ Generate a support case or live chat with Metrc Support if further help is needed
