

Bulletin Number: NV_IB_0107	Distribution Date: 12/15/2025	Effective Date: 12/15/2025
Contact Point: Metrc Support	Subject: Investigation Discovery Feature	
Reason: To inform of upcoming changes to action windows for packages that have been placed on Administrative Hold or Administrative Recall		

Greetings,

Metrc is pleased to announce the upcoming release of Investigation Discovery, a comprehensive improvement to our Administrative Holds process. This powerful new feature provides state regulators with advanced tools to investigate and manage product compliance issues with greater precision and control.

What is Investigation Discovery?

Investigation Discovery is an intentional control mechanism that enables state regulators to extract and analyze data before initiating an Administrative Hold. This ensures regulators can identify the correct products and understand the full scope of their investigation before taking enforcement action.

Transfer action window update

For facilities that the State allows the transfer of packages on Administrative Hold, there will now be confirmation checkboxes to indicate that the transfer contains items that are currently On Hold. These checkboxes must be selected before a Transfer will be registered - **see Figure 1 below**.

☐ Confirmation Required (Packages On Hold)

Register Transfer Cancel

Figure 1: Confirmation Checkbox on Transfer Action Window

For facilities that the state has not allowed the transfer of packages on Administrative Hold, licensees will see the following error message. –see Figure 2.

Figure 2: Error message for Transfers that the state has not allowed

Confirmation checkboxes for Sales Receipts and Sales Deliveries

Confirmation checkboxes have also been added to the Sales Receipts and Sales Delivery action windows for items that are On Hold– see **Figures 3 and 4**.

Metrc does not prevent any further licensee actions but rather provides transparency that the package that is attempting to be sold/delivered is currently On Hold.

Metrc resources

If you have any questions, or need additional support, the following resources are available:

Contact Metrc Support

Submit a case in the [Metrc Support portal](#), call 877-566-6506, or live chat with an agent through the Metrc Expert widget.

Please note: If accessing the portal for the first time, a username (which is established when logging in), the respective state and “Facility license number”, and a valid email to set a password are required.

Metrc Learn

Metrc Learn is designed to provide users with interactive, educational information on system functionality to expand skillsets and drive workflow efficiencies.

Accessing [Metrc Learn](#) directly or through other convenient locations:

From within the Metrc system

Navigate to the drop-down Support menu in the navigational toolbar and select “Sign up for Training” to register.

From the Metrc website

Navigate to your [state’s partner page](#) and scroll down to the “Metrc’s Training Resources” section to find the link.

Also, save the link – *learn.metrc.com* – as a bookmark in your preferred web browser. If you have the existing link saved as a bookmark, please replace it with the new link.

Thank you for your continued partnership.
