

Bulletin Number: MN_IB_0063	Distribution Date: 06/10/2026	Effective Date: 06/24/2026
Contact Point: Metrc Support	Subject: New Item Category- Fresh Frozen Flower	
Reason: To notify the industry of the use of a new item category “Fresh Frozen Flower” available for cultivators in Minnesota.		

Greetings,

Metrc, in conjunction with the OCM, is pleased to provide an update regarding changes to the item categories available to cultivators in Metrc. As of 6/24/2026, cultivators will have the option of using an additional item category:

Fresh Frozen Flower

The addition of the “Fresh Frozen Flower” item category will allow for the creation of wet flower material packages that will be transfer to manufacturers to use for purpose such as live plant extractions (e.g. live resin or live rosin).

This category will be a weight-based category and will require input for strain and allergens, as well as a use-by date.

Metrc resources

If you have any questions, or need additional support, the following resources are available:

Contact Metrc Support

By using the new full-service system by navigating to Support.Metrc.com, or from the Metrc System, click Support and navigate to support.metrc.com and it will redirect to the portal.

Please note: If accessing the portal for the first time, a username (which is established when logging in), the respective state and “Facility license number”, and a valid email to set a password are required.

Metrc Learn

Metrc Learn has been redesigned to provide users with interactive, educational information on system functionality to expand skillsets and drive workflow efficiencies.

Accessing the new [Metrc Learn](#) platform is simple:

From within the Metrc system

- Navigate to the drop-down Support menu in the navigational toolbar and select “Sign up for Training” to register.

From the Metrc website

- Navigate to your [state’s partner page](#) and scroll down to the “Metrc’s Training Resources” section to find the link.

Also, save the link – *learn.metrc.com* – as a bookmark in your preferred web browser. If you have the existing link saved as a bookmark, please replace it with the new link.

Metrc Expert

In the Metrc system, click on widget icon in the lower right-hand corner to open the Metrc Expert knowledge base to access step-by-step guides, ask questions, and more.

Thank you for your continued partnership.
