

Bulletin Number: MN_IB_0067	Distribution Date: 07/06/2026	Effective Date: 07/15/2026
Contact Point: Metrc Support	Subject: Seeds Item Category Update	
Reason: To notify the industry of the addition item categories for seeds.		

Greetings,

Beginning 7/15/2026, license holders will now have access to an item category for “SEEDS (BULK)” and “SEEDS (PACKAGED)” in Metrc.

SEEDS (BULK) allows users to package seeds by their quantity of weight.

SEEDS (PACKAGED) allow users to package seeds by their quantity of each, or by counting the number of seeds. Seeds that are packaged as “each” or by count may allow for a business to use a seed for each planting, rather than having to weigh out seed batches when planting.

Users will now have two seeds categories in Metrc:

- SEEDS (BULK)
- SEEDS (PACKAGED)

The “SEEDS (BULK)” category will now replace all current seeds packages within Metrc. Existing seeds items should be discontinued on 10/31/2026 and new items created for seeds packages that will be created on or after that date.

Metrc resources

If you have any questions, or need additional support, the following resources are available:

Contact Metrc Support

By using the new full-service system by navigating to Support.Metrc.com, or from the Metrc System, click Support and navigate to support.metrc.com and it will redirect to the portal.

Please note: If accessing the portal for the first time, a username (which is established when logging in), the respective state and “Facility license number”, and a valid email to set a password are required.

Metrc Learn

Metrc Learn has been redesigned to provide users with interactive, educational information on system functionality to expand skillsets and drive workflow efficiencies.

Accessing the new [Metrc Learn](#) platform is simple:

From within the Metrc system

- Navigate to the drop-down Support menu in the navigational toolbar and select “Sign up for Training” to register.

From the Metrc website

- Navigate to your [state’s partner page](#) and scroll down to the “Metrc’s Training Resources” section to find the link.

Also, save the link – *learn.metrc.com* – as a bookmark in your preferred web browser. If you have the existing link saved as a bookmark, please replace it with the new link.

Metrc Expert

In the Metrc system, click on widget icon in the lower right-hand corner to open the Metrc Expert knowledge base to access step-by-step guides, ask questions, and more.

Thank you for your continued partnership.
