Contact Point: Metrc Support	Subject: Expedited Shipping Available for Tag Orders	
Reason: Expedited shipping speed available for Tag Orders.		

Greetings,

Metrc is pleased to announce an update to the Shipping Types available for Tag Orders. This enhancement gives license facilities the ability to choose different shipping speeds now for Ground and Expedited (2nd Day / Next Day) when placing tag orders.

When placing a tag order, users will now see a new option to Choose a Shipping Speed in the middle of the New Tag Order action window – **see Figure 1**.

Please note:

You MUST place separate Tag Orders for each Facility. Plant and Package Tags are programmed for each of your Facilities individually and are placed within your Metrc account automatically once received.

Make sure that you are in the correct Facility within Metrc when you place the order.

Tag Orders are *not* transferable between Facilities.

All Tag Orders are final, so we recommend that you place your orders carefully.

Once this button is selected, the shipping options will be displayed. The user can select one of the following:

- Next Day – Estimated 1 business day in transit
- Two-Day – Estimated 2 business days in transit
- Ground – Estimated 3-5 business days in transit

When the preferred shipping speed has been chosen, the user can click the Calculate Total Button to see the updated pricing for the expedited shipping. Then follow the normal tag order steps as usual to place the tag order – **see Figure 2.**
